The Children's House

Earth to Table program
“Education is a natural process carried out by the child and is not acquired by listening to words but by experiences in the environment.”
– Maria Montessori

Farm trips
Harvest Festival
Today it was cold and rainy, so we worked in the greenhouse. First we mixed water and soil together and then we put it all in pots. There were ten pots, then we filled 4 with basil seeds, 3 with thyme seeds, and 3 with rosemary seeds. Then we dug all of the weeds out of the greenhouse floor. We also cut raspberries.
